Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 14386-review.docx)

Title: Review of the cutaneous manifestations of autoimmune connective tissue diseases in pediatric patients

Author: Duri Yun, Sarah L. Stein

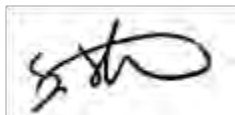

Name of Journal: *Word Journal of Dermatology*

ESPS Manuscript NO: 14386

The manuscript has been improved according to the suggestions of reviewers:

1. Format has been updated
2. Revision has been made according to the suggestions of the reviewer
 - (1) No revisions were suggested by reviewer 1.
 - (2) Reviewer 2 suggested the following:
 - a. Inserting a table to summarize all described diseases with diagnostic criteria and treatment to improve the readability and comprehension of the review
 - b. Mention the recently described monogenic form of systemic juvenile idiopathic arthritis
 - c. Add some consideration about the current knowledge of pharmacogenomics implications in the treatment of autoimmune connective tissue disease
 - (3) No revisions were suggested by reviewer 3.
3. References and typesetting were corrected

Sincerely yours,

Sarah L. Stein, MD
