

Dear Editor-in-chief of the World Journal of Gastroenterology:

We would like to submit the revised version of the manuscript entitled "Post reperfusion syndrome during liver transplantation: from pathophysiology to therapy and preventive strategies. A review" for publication as an invited Review (ID:18358) in the World Journal of Gastroenterology

Following your email of instructions for review, we would like to point out that in the reviewed manuscript we did not find any reference nor question regarding the scientific content or the language of our manuscript. Hence we did not alter the content of our manuscript.

We confirm that this manuscript has not been published elsewhere nor it is being evaluated by another journal. All authors have approved the manuscript and agree with the submission to the World Journal of Gastroenterology. The authors have no conflicts of interest to declare.

Please find attached to this email the following documents:

- 1: Audio core tip file in mp3 format
- 2: Cross Check Analysis report, and Google Scholar report
- 3: Copyright Assignment form signed
- 4: Conflict of interest form

Please address all further correspondence to:

Antonio Siniscalchi M.D. Division of Anesthesiology, Alma Mater Studiorum University of Bologna, Via Massarenti 9, 40138 Bologna, Italy

We look forward to hearing from you at your earliest convenience.

Yours sincerely,

Antonio Siniscalchi M.D.
