## Traumatic posterior Atlanto-axial dislocation: case report ...

<https://bmcmusculoskeletdisord.biomedcentral.com/...> ▾

Dec 20, 2019 · The combination of **posterior** atlantoaxial joint **dislocation** and anterior arch **fracture** of C1 is uncommon: an epidemiological **review** of 116 cases of upper cervical spine injuries does not **report** it []. The vast majority of **traumatic** C1-C2 dislocations are anterior []. We present an atypical **case** of a **traumatic posterior** C1-C2 **dislocation** with an anterior arch **fracture** of C1 treated by a novel ...
