

## Format for ANSWERING REVIEWERS

September 22, 2014

Dear Editor,

Please find enclosed the reviewed version of the manuscript entitled **Management of “very early” HCC on cirrhotic patients**. The manuscript has been thoroughly revised following all the points raised by the reviewers.

We appreciate the helpful comments of the reviewers and we hope you will find the revised manuscript acceptable for publication in the *World Journal of Hepatology*.

We enclose point-by-point the responses to the comments of the reviewer and we have made changes in the text highlighted with red color.

Please find enclosed the edited manuscript in Word format (file name: 12862-review.doc).

**Title:** Management of “very early” HCC on cirrhotic patients

**Author:** Gonzalo Sapisochín, Elena Fernández de Sevilla, Juan Echeverri, Ramón Charco

**Name of Journal:** *World Journal of Hepatology*

The manuscript has been improved according to the suggestions of reviewers:

1 The Tip Core has been added to the text.

2 *"Page 8 line 3:"..... is around 50-70%,". In the same page, line 13 is reported: "...rates around 90% after..." Do, these figures, a bit contradictory? How the AA explain that?*

We appreciate the comments from the reviewer. Accordingly we have made changes in the text.

3 *All along the text there are some English mistakes, ie:*

*page 4 line 10 "the biopsy": It has been substituted by "a biopsy"*

*page 9 line 20: "as its been shown": It has been substituted by "as it has been shown"*

*page 18 line 18 "patients that were transplanted": It has been substituted by "patients who were transplanted"*

*page 19 line 7-8 "In this scenario.... Is where LT..." "is where" may be deleted: I has been deleted*

We appreciate the comments from the reviewer. Accordingly we have made changes in the text.

3 References and typesetting were reviewed.

Thank you again for the opportunity of publishing our manuscript in the *World Journal of Hepatology*.

Sincerely yours,

Gonzalo Sapisochin, MD PhD
