Dear Dr McNamara

### **16/1806 Outcomes of patients with gastro-entero-pancreatic (GEP) mixed adenoneuroendocrine carcinoma (MANEC) treated at a single institution**

Thank you for sending your proposal form for registration. The proposal will go to the next Clinical audit committee for formal approval on *19/Oct/2016*. I will write to confirm the outcome after this and provide you with a template report which should be returned to the clinical audit team by the expected date of completion provided *Oct 2017*.

I will be in touch in due course. If you have any queries in the meantime, please do not hesitate to contact me.

Best wishes
