

Answering reviewers' Questions:

Thank you for the reviewers' comments.

Answering Editor's Questions:

To the Editors: All answer to the editor's comments has been answered in the revised manuscript accordingly.

Names and affiliations reviewed	✓
ORCID numbers and author contributions added to the case report	✓
Corresponding author added	✓
Core tip added	✓
Audio core tip added to the file	✓
Abstract reviewed and altered according to the format required	✓
Case report reviewed: Introduction, Case report, Discussion, Conclusion, and References	✓
References reviewed and note added on the case report	As this was a very rare case report, literature review was limited, therefore, only 4 references sufficed to provide enough evidence and discussion regarding this case.
Reference Numbers altered as per format	✓
No Conflict of Interests Added	✓
Image titles all added as per format	✓
