November 10, 2021

This document certifies that the manuscript listed above was edited for proper English language, grammar, punctuation, spelling, and overall style by one or more of the highly qualified native English speaking editors at Nova Journal Experts. Neither the research content nor the authors' intentions were altered in any way during the editing process. Documents receiving this certification should be English-ready for publication; however, the author has the option to accept or reject our suggestions and changes. If you have any questions or concerns about this edited document, please contact Nova Journal Experts at editing@novaisedit.com

Nova Journal Experts provides a range of editing, translation and manuscript services for researchers and publishers around the world. Our editors come from nearly every research field and possess the training and qualifications to edit research manuscripts written by non-native English speakers. For more information about our company, services and partner discounts, please visit www.novaisedit.com.
