Name of journal: World Journal of Orthopedics

ESPS Manuscript NO: 19817

Columns: EDITORIAL

Title: ORTHOPEDIC CELLULAR THERAPY, ITS STATUS QUO

Authorship: Moon Jong Noh and Kwan Hee Lee

Comments To Authors

1. Change title to better reflect the manuscript content; for example, ORTHOPEDIC CELLULAR THERAPY, AN OVERVIEW WITH FOCUS ON CLINICAL TRIALS
2. Eliminate bias in the language of the manuscript, such as "hottest topics"
3. Add figures, tables or illustrations for a visual summary of the clinical trial
4. Make grammatical edits and refinements

Author's Response to Comments

1. We have revised the title as recommended, 'ORTHOPEDIC CELLULAR THERAPY, AN OVERVIEW WITH FOCUS ON CLINICAL TRIALS'
2. We have revised the biased language from the text.
 - Page 4, 'hottest area for regenerative medicine' → 'promising solution in regenerative medicine field'
 - Page 10, 'hottest' → 'interesting'
3. We have added a table (Table 1. Summary of Cellular Therapy for Regenerative Medicine)
4. We have checked grammatical errors and revised the manuscript.
