### JOURNAL EDITOR-IN-CHIEF (ASSOCIATE EDITOR) COMMENTS TO AUTHORS

Editor: Scientific Editor Work List is the wrong list. Also, I did not find the reviewers' critiques from the second round review (comments on revised manuscript). Author: the changes you made in the results section were not reflected in the abstract: "A total of 368 shoulders in 365 elite rugby union and rugby league players were included". This discrepancy is not acceptable. The authors need to carefully read and edit the manuscript before its submission.
