

December 17th, 2019

Professor Subrata Ghosh and Professor Andrzej S Tarnawski,

Editor in Chief

World Journal of Gastroenterology

I am submitting the enclosed manuscript by Vanessa D'Antongiovanni et al., entitled "Bowel motor dysfunctions associated with digestive and extra-digestive diseases: morphological changes of intestinal epithelial barrier and neuromuscular compartment as a common feature?", for possible publication in *World Journal of Gastroenterology*, as review article.

I certify that the content of the manuscript has been edited by an expert English editor with PhD. The following issues were corrected: grammar, spelling, sentence structure and phrasing. However, we will be available for further English editing after the revision process.

If I can be of any assistance during the review process, please do not hesitate to contact me at the address reported in the manuscript.

I would like to thank you for your time and kind attention.

Yours sincerely,

Dr. Matteo Fornai, PhD
