COMMENTS TO AUTHORS

Well written and described paper describing an increasingly common entity. Recommend publication. Consider adding this reference as it is similar to your operative pictures: Teaching NeuroImages: intraneural ganglion cyst of the tibial nerve. Neurology 2014 May PMID: 24843041 Otherwise, no major changes.

COMMENTS TO AUTHORS

This review article has well described the use and dose optimisation of computed tomography in patients with cystic. It is well-organized and useful for clinical practice, especially for western radiology society.
