COMMENTS TO AUTHORS

Well written and described paper describing an increasingly common entity. Recommend publication. Consider adding this reference as it is similar to your operative pictures: Teaching NeuroImages: intraneural ganglion cyst of the tibial nerve. Neurology 2014 May PMID: 24843041 Otherwise, no major changes.

Response to reviewer's comment: The suggested reference is added in the revised manuscript.

COMMENTS TO AUTHORS

This review article has well described the use and dose optimisation of computed tomography in patients with cystic. It is well-organized and useful for clinical practice, especially for western radiology society.

Response to reviewer's comment: Thank you.
