Data sharing statement

Name of Journal: *World Journal of Gastroenterology*

ESPS Manuscript NO: 35795

Manuscript Type: ORIGINAL ARTICLE

Title: Testing for hepatitis B virus alone does not increase vaccine coverage in non-immunized persons: a prospective study

Authors: Anders Boyd, Julie Bottero, Fabrice Carrat, Joël Gozlan, Hayette Rougier, Pierre-Marie Girard, Karine Lacombe

Correspondence to: Julie Bottero

The authors confirm that, for approved reasons, some access restrictions apply to the data underlying the findings. The data cannot be publicly available due to legal and ethical restrictions from the French Authority (Commission nationale de l'informatique et des libertés). Requests for data use can be made to the Scientific Manager of the study (Anders Boyd) at anders.boyd [at] upmc.fr.

Thank you for your considerations.

Sincerely,

A handwritten signature in black ink, appearing to read 'Julie Bottero', with a small superscript 'A' above the final letter.

Julie Bottero, MD, PhD
