

## Response to reviewers' comments

Dear Reviewers, thanks you very much for taking the time to review our paper and provide us such positive and constructive comments. Please see below a point-by-point reply to your comments.

Reviewer 1: Thank you for your very positive comments.

Reviewer 2: Thank you for your comments. We did include a picture of endoscopic dilatation as requested.

Reviewer 3: thank you for your comments. All the raised comments were addressed and language mistakes corrected.

Reviewer 4: thank you for your comments. We went through the manuscript to correct mistakes
