

4th Oct, 2017

Editor, World Journal of Gastroenterology

**Subject:** Language Certification from LetPub to WJG editor regarding English language revision of a manuscript previously submitted to WJG

**Manuscript NO:** 36134

**Article title:** Fecal microbiota transplantation induced remission of infantile allergic colitis through microecology re-establishment

**Corresponding Author:** Sai-nan Shu

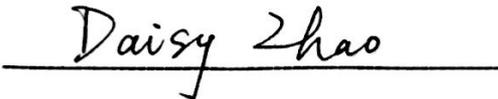

Dear WJG editor:

I am writing at the request of the authors of the above-noted manuscript submitted to your journal. I confirm that we have revised the above-noted manuscript with respect to scientific content, scientific English, logic and natural American structures. We returned the revised files to the authors of the paper and they have incorporated the changes.

We certify that the paper can be easily understood and the language in the manuscript has reached grade A.

Thank you.

My sincere regards,

Daisy Zhao, Regional Customer Manager
