LANGUAGE CERTIFICATE LETTER

Dear Editors,

The language of the revised version of our manuscript **Risk factors of admission for acute colonic diverticulitis in a population-based cohort study: the HUNT Study, Norway** (Manuscript NO.: 29246) meets the language requirements for the World Journal of Gastroenterology – Baishideng Publishing. We employed an editor/proof-reader from Professional Communication AS who specializes in the language of research in biomedical sciences and psychology, and is a native English speaker. For further information about the language consultant, see <http://www.profcom.no/>

Sincerely,

Aras Jamal Talabani,
