

16<sup>th</sup> December, 2016.

Prof. David Meagher,  
Consultant Psychiatrist,  
Unit 5B,  
University Hospital Limerick,  
Dooradoyle,  
Limerick.

Re/ Protocol Title

An investigation into the utility of computerised approaches in the detection of cognitive failure and delirium in patients from various healthcare settings.

REC Ref: 100/12.

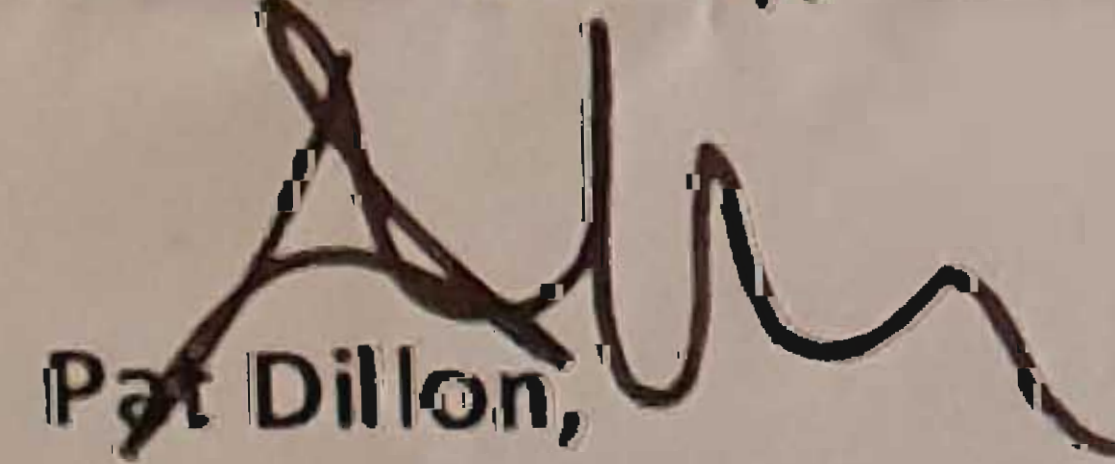

Dear Prof. Meagher,

The Research Ethics Committee at the University Hospital Limerick has received a submission for ethical approval for an amendment to the above titled study dated 26<sup>th</sup> March, 2014. I am happy to grant retrospective approval in this instance.

You are obliged to inform us as soon as your study is completed or if it terminates early for any reason.

I wish you every success in your study.

Yours sincerely,

Pat Dillon,  
Consultant Anaesthetist,  
Chairperson, Research Ethics Committee.
