

To the **World Journal of Gastrointestinal Oncology**,

We would like to inform you that the revised manuscript entitled **“The role of 3D Printing and Artificial Intelligence in the Management of Hepatocellular Carcinoma: Challenges and Opportunities,”** which is currently under consideration for publication in your Journal, has been comprehensively edited by the senior author, who is a native English speaker, for any grammatical, semantical/stylistic and typographical errors.

Sincerely,

George Tsoulfas, MD, PhD, FICS, FACS
