What is the Effect of Age on Pancreatic Resection?

<https://www.ncbi.nlm.nih.gov> > NCBI > Literature > PubMed Central (PMC) - 翻译此页

作者: TS Riall - 2009 - 被引用次数: 57 - 相关文章

Currently, age alone is not a contraindication to pancreatic resection. In addition, this study also documents that elderly patients are less likely to receive care at high-volume hospitals (Table 2). ... It is critical to remember that elderly patients have increased operative Pancreaticoduodenectomy in the very elderly.
