36E7-0697-50DB-0E33-A914

This certificate may be verified at [secure.tandfedittingservices.com/certificate](https://secure.tandfedittingservices.com/certificate). This document certifies that the manuscript listed above was edited for proper English language, grammar, punctuation, spelling, and style by one or more of the highly qualified native English-speaking editors at Taylor & Francis Editing Services. Neither the research content nor the authors' intentions were altered in any way during the editing process. Documents receiving this certification should be English ready for publication; however, the author has the ability to accept or reject our suggestions and changes. To verify the final Taylor & Francis Editing Services edited version, please visit our [verification page](#). If you have any questions or concerns about this edited document, please contact Taylor & Francis Editing Services at [support@tandfedittingservices.com](mailto:support@tandfedittingservices.com).
