Manuscript Type: Systematic Review

Synthetic *vs* biologic mesh for the repair and prevention of parastomal hernia

Knaapen L *et al.* Parastomal hernia: Biologic versus synthetic mesh

Loes Knaapen, Otmar Buyne, Harry van Goor, Nicholas J Slater

Abstract

AIM

To outline current evidence regarding prevention and treatment of parastomal hernia and to compare use of synthetic and biologic mesh.

METHODS

Relevant databases were searched for studies reporting hernia recurrence, wound
