

Dear Editor,

Thank you for carefully reviewing our manuscript previously titled “Hemophagocytic lymphohistiocytosis secondary to composite lymphoma: a report of two cases and brief review” (Manuscript NO: 66587) for possible publication in the World Journal of Clinical Cases. We are grateful to you and your reviewers for their constructive critique. We have revised the manuscript, highlighting our revisions in red, and have attached point-by-point responses detailing how we have revised the manuscript in response to the reviewers' comments below.

Thank you for your consideration and further review of our manuscript. Please do not hesitate to contact us with any further questions or recommendations.

Yours Sincerely,

Zhao Wang

Reviewer Comments:

Reviewer #1: Before its final acceptance, the author(s) must provide the Signed Informed Consent Form(s) in the Chinese version.

Response: We uploaded the Forms, thanks for your details.

Reviewer #2: 1)The authors did not provide original pictures. Please provide the original figure documents. 2)The “Case Presentation” section was not written according to the Guidelines for Manuscript Preparation. 3)Please provide the written informed consent of the patients.

Response: 1)we provided the original pathology slides and electrophoresis pictures. 2)We re-wrote the “Case Presentation” section, and add the “FINAL DIAGNOSIS”, “TREATMENT”, and “OUTCOME AND FOLLOW-UP” sections to the main text, according to the Guidelines and Requirements for Manuscript Revision.3) we uploaded written informed consent of the patients.
