A survey of credentialing for ERCP in the United States ...

[https://www.giejournal.org/article/S0016-5107\(17\)31719-4/fulltext](https://www.giejournal.org/article/S0016-5107(17)31719-4/fulltext)

The quality of **credentialing** for ERCP in the United States varies widely, with many hospitals apparently not engaged. This puts patients at risk. We ask the leaders of our professional societies to focus on this issue and to establish a system for documenting ERCP performance so that **credentialing** committees can perform effectively.
