Title: The Role of Imaging in the Evaluation of Inflammatory Bowel Disease: How Much is too Much?

Authors List: Kelly Haas, Erika Rubesova, Dorsey Bass

Dear Esteemed Review Committee:

Thank you for your careful consideration of our submitted manuscript *The Role of Imaging in the Evaluation of Inflammatory Bowel Disease: How Much is too Much?* Please note the uploaded document with tracked changes documenting our edits based on your comments and recommendations. The formatting including proper title and section headers, bibliography, and cited references in text have been corrected per your request. You will also note our revised table and images with proper arrows and more detailed descriptions. Thank you again for your time and consideration of our revised manuscript.

Warm Regards,

Kelly Haas, MD
