**From the liver to the heart: Cardiac dysfunction in obese children with non-alcoholic fatty liver disease**

**Anna Di Sessa, Giuseppina Rosaria Umamo, Emanuele Miraglia del Giudice, Nicola Santoro**

#### **Abstract**

In the last decades the prevalence of non alcoholic fatty liver disease (NAFLD) has increased as a consequence of the childhood obesity world epidemic. The liver damage occurring in NAFLD ranges from simple steatosis to steatohepatitis, fibrosis and
