

Name of Journal: *World Journal of Gastrointestinal Pharmacology and Therapeutics*

ESPS Manuscript NO: 26175

Manuscript Type: TOPIC HIGHLIGHT

2016 Inflammatory Bowel Disease: Global view

An overview of cytokines and nitric oxide involvement in immuno-pathogenesis of inflammatory bowel diseases

Imene Soufli, Ryma Toumi, Hayet Rafa, Chafia Touil-Boukoffa

Abstract

Inflammatory bowel diseases (IBDs), including Crohn's disease and ulcerative colitis are

Match Overview
