

Consent form for case report manuscript submission for World Journal of Critical Care.

Title:

Title: Near-fatal Panton-Valentine Leukocidin-positive *Staphylococcus aureus* pneumonia: Against the odds. All for one and one for all.

I/we confirm that we give consent for case report to be submitted. I/we have read the manuscript. I/we understand that while any patient identifying information has been removed, complete anonymity cannot be guaranteed. For example, persons involved in the patients care or who know the patient may recognise the patient from the case.

I/we understand that there might be minor changes made to the manuscript as part of the editing and publication process and I/we give consent for this to take place.

I/we can provide further written consent as required.

Yours Sincerely,

A handwritten signature in black ink, appearing to be 'Juler' or similar, with a large loop at the bottom.
