Tomov L et al. Pandemic control - do's and don'ts from a control theory perspective

Dear editors,

Dear reviewers,

Thank you for your time to review our paper entitled Pandemic control - do's and don'ts from a control theory perspective submitted to World Journal of Methodology.

We acknowledge that our paper might have some issues in the conformity with the reviewers` comments and suggestions. We have revised the manuscript according to the review reports. All changes are marked via track changes and we provide point-by-point responses to the referees` comments.

Reviewer #1:

Scientific Quality: Grade C (Good)

Language Quality: Grade B (Minor language polishing)

Conclusion: Minor revision

Specific Comments to Authors: Dear colleague, greetings of the day, with interest i read you paper and found it well writen with good methodology. However, there are many old references : 1,2,7,10, 12,15,18,40, 46,49, also you have to fixe the 43 and 44 references they are the same, regards.

- Thank you for the thorough review and the overall evaluation of our paper as good.
- We agree with the referee that some of the references may be published 10-15 years ago, but they are focused on the methodological principles. Thus, we changed some of them,

Reviewer #2:

Scientific Quality: Grade B (Very good)

Language Quality: Grade B (Minor language polishing)

Conclusion: Accept (General priority)

Specific Comments to Authors: good manuscript

- Thank you for the thorough review and the overall evaluation of our paper as good.
