

Cover letter

Dear Editor,

My name is Simona Gurzu, I am Professor at George Emil Palade University of Medicine, Pharmacy, Sciences and Technology and Head of Department of Pathology, Tirgu-Mures, Romania. My letter regards the paper "*Maspin subcellular expression of wild-type and mutant TP53 gastric cancers*" which was submitted for publication to your journal.

We declare that we did not included biostatistics data. For this reason, no Biostatistics Review Certificate was attached.

Sincerely,

Prof. Simona Gurzu and co-authors
