

## **Certificate of Biostatistics**

To whom it may concern

**Title: Proteins in Tumor-derived Exosomes as Candidate Biomarkers for Colorectal Cancer Revealed by Proteomic Analysis**

**Chief investigator: Shu-kun Yao**

This letter was to confirm that I had read the ethics application prepared for this study, and that in my opinion the statistical methods and techniques mentioned were appreciate for the research.

Please contact me if you have any queries.

Sincerely, 

China-Japan Friendship Hospital, 2<sup>nd</sup> Yinghua East Road, Chaoyang District,  
Beijing 100029, China.
