

20 April 2020

To whom it might concern

Title:

Development of a novel score for diagnosis of bacterial infection in patients with acute-on-chronic liver failure

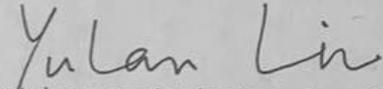

Chief investigator: Xiaozhong Wang

This letter is to confirm that I have read the ethics application prepared for this study, and that in my option the statistical methods and techniques mentioned are appropriate for the research.

Please contact me if you have any queries

Sincerely,

Yulan Lin

  
PhD in epidemiology, senior lecturer in epidemiology and health statistics
