**Name of Journal:** *World Journal of Clinical Pediatrics*

**Manuscript NO:** 32548

**Manuscript Type:** Original Article

*Basic Study*

**Confirming longline position in neonates - survey of practice in England and Wales**

**Arunoday Arunoday, Christos Zipitis**

**Abstract**

**AIM:** To establish how neonatal units in England and Wales currently confirm longline tip position, immediately after insertion of a longline.

**METHODS:**

We conducted a telephone survey of 170 Neonatal Units (37 Special Care Baby Units, 81 Local Neonatal Units and 52 Neonatal Intensive Care Units) across England and Wales over the period from January to May 2016. Data was collected on specifically designed
