Title: Preterm Nutrition and Neurodevelopmental Outcome – A Review

Native English Speakers Statement

1st July, 2021

Dear Sir,

We hereby certify that both Dr. Alyson Skinner and Professor Hassib Narchi are British citizen, fully trained in the United Kingdom with a long career as consultant paediatricians in the British national health Service. Both are fellows of the Royal College of paediatrics and Child Health in the UK and have published extensively in peer-reviewed medical journals.

For all these reasons, they never had to use before nor do they need now an English Editing Certificate.

Yours sincerely,

Alyson Skinner
