### COMMENTS TO AUTHORS

Please make some corrections for reader to understand more easily. 1. Running title: intraductal papillary neoplasm of bile duct 2.It is better to mention more detail of the difference of papillary neoplasm of bile duct and pancreatic duct appeared in the first paragraph of Introduction. 3. Please tell the reason of hepatico-jejunostomy for this patient and show the figure of morphology of intra-/extrahepatic bile duct. 4. Try to make more simply and briefly in the section of Discussion 5. Show a note of Original of Table 1 6. References were to many and format according the requirement of journal.
