

Name of journal: World Journal of Respiriology

ESPS Manuscript NO: 22784

Manuscript Type: Minireviews

Title: Prognostic scoring systems for clinical course and survival in IPF

Dear Editor,

the manuscript was re-evaluated by two different native speakers (one from New Zealand and one from Canada), who have made minimal adjustments believing English at this point is adequate from the point of view of language.

We are hoping that adjustments, that we send to you in tracking, are also adequate for you and sufficient for the publication of the manuscript.

Best Regards

Paola Rogliani
