### JOURNAL EDITOR-IN-CHIEF (ASSOCIATE EDITOR) COMMENTS TO AUTHORS

This is a well written comprehensive review on the topic of clinical methodology for iron diseases, which deserves publication by this journal. Hereunder are a few advices to improve its quality. In the legend of Fig 3, add "arrows indicate the liver and left ventricular wall of the heart, respectively". In the legend of Fig 4, the sentence can be modified as "The top arrow indicates the abnormal iron deposition in the left ventricular wall of the heart of the patient, which is shown with low signal intensity (dark)".
