Role of targeted therapy in metastatic colorectal cancer

Ohhara Y *et al.* Targeted therapy in mCRC

Yoshihito Ohhara, Naoki Fukuda, Satoshi Takeuchi, Rio Honma, Yasushi Shimizu, Ichiro Kinoshita, Hirotohi Dosaka-Akita

### Abstract

Colorectal cancer (CRC) is a significant cause of cancer-related morbidity and mortality all over the world. Improvements of cytotoxic and biologic agents have prolonged the survival in metastatic CRC (mCRC), with a median overall survival of approximately 2 years and more in the past two decades. The
