

Dear Editor,

please find enclosed the revised version of our manuscript.

As requested by the reviewer, the sentence on page 11 has been changed to increase its clarity.

A conflict-of-interest statement has been provided, as well as a list of key words and the audio core tip.

The figures have been moved to the end of the manuscript.

A screenshot of the Google Scholar Search has been provided as well as a signed copy of the copyright assignment form.

Unfortunately, we currently have limited funding for publication charges: since our manuscript was an invited review, and was positively evaluated by the reviewer in terms of language quality, we are wondering if it is possible to avoid the language editing. Moreover, we have no access to Crosscheck.

We are looking forward to your reply,

Giuseppe Nunnari
