### LANGUAGE EDITING

This is to certify that I have reviewed the manuscript entitled “**Nutritional evaluation in cirrhosis: emphasis on the phase angle**” for grammatical clarity and appropriate vocabulary. I am currently based in London, UK, and have lived and worked in English-speaking countries (USA, UK) for over 10 years, where I also earned my BA and MA degrees. I am an editor and translator with over six years of experience in academic editing and translations, including scientific and medical manuscripts.

Sincerely,

A handwritten signature in black ink that reads "Mauricio Both". The signature is written in a cursive style with a long horizontal line extending from the end of the name.
