<input type="checkbox"/> Grade D: Fair	<input type="checkbox"/> Grade D: Rejected	<input type="checkbox"/> Rejection

### JOURNAL EDITOR-IN-CHIEF (ASSOCIATE EDITOR) COMMENTS TO AUTHORS

This is otherwise an excellent manuscript with a hot topic for both clinical practice and preclinical research, provided minor revisions can be made according to the editorial comments given in the right margin of the manuscript. Besides, the basic rules have to be observed, for example, full terms should be given in any parts of the paper including Abstract, prior to their abbreviations such as BIA, EE etc.
