

Name of Journal: World Journal of Diabetes

ESPS Manuscript NO: 20209

Manuscript Type: Systematic Reviews

Tipping the balance – Haemoglobinopathies and the risk of diabetes.

Authors

Henry J Baldwin, Aislinn E Green, Kayleigh M Spellar, Philip J Arthur, Hannah Philips, Jeetesh V Patel

***Datasharing statement***

Dear Sirs, this was a systematic review of the available literature and was not undertaken as a meta-analysis of data. As authors we did not undertake any statistical analyses nor did we generate any data. All the data and statistics reported in the review as those reported in the original articles (referenced to other authors). As such a datasharing statement would be inappropriate.

Yours Sincerely

A handwritten signature in black ink, appearing to be 'J. Patel', written in a cursive style.

Dr. Jeetesh V Patel.
