Update on hepatocellular carcinoma: Pathologists' review

El Jabbour T *et al.* Pathologic update on hepatocellular carcinoma

Tony El Jabbour, Stephen M Lagana, Hwajeong Lee

Abstract

Histopathologic diversity and several distinct histologic subtypes of hepatocellular carcinoma (HCC) are well-recognized. Recent advances in molecular pathology and growing knowledge about the biology associated with distinct histologic features and

Sep 06, 2014 · Combined **hepatocellular**-cholangiocarcinoma is a rare but unique primary hepatic tumor with characteristic histology and tumor biology. Recent development in genetics and molecular biology support the fact that combined **hepatocellular**-cholangiocarcinoma is closely linked with cholangiocarcinoma, rather than **hepatocellular carcinoma**.
