World Journal of Clinical Cases

Dear Editor-in-Chief,

Enclosed please find the manuscript "**The impact of metabolism-related mutations on the heart rate of gastric cancer patients after peritoneal lavage**" (Manuscript no. **59496**) by **Yan Yuan, Shuang Yao, Guang-Hua Luo, Xiao-Ying Zhang** to be reconsidered for publication in the World Journal of Clinical Cases. We are so appreciated for your constructive comments and suggestions and those all have been carefully considered and answered point by point in the **Response to the comments**. All changes have been highlighted in the **Revised manuscript-marked**. All authors have read and approved the final manuscript.

## **Response to the comments**

### **We have completed the following modification :**

Introduction • Line 2; Recheck the following; "noncardia" do you mean noncardiac? "subcardia" do you mean subcardiac?

- Line 2; "with center" has been changed into "with the center"
- Line 4; "with mortality" has been changed into "with the mortality"

Page 6: Materials and Methods • Line 6; "1-111; and 3" has been changed into "1-111, and 3"

Page 7: • Line 13; "DNA extraction, PCR and whole exon sequencing (WES)" has been changed into "DNA extraction, PCR, and whole exon sequencing (WES)" Comment: insert a comma after PCR

- Line 22; "Cycler480(R)11system" has been changed into "Cycler480(R) 11 system" Comment: Adequate spacing

Page 8: Line 13; "with a heart rate" has been changed into "with heart rate" Comment: expunge a

Page 10: • Line 7; "pfa" has been changed into "PFA" Comment: use capital letters •

Line 9; "totally six SNPs" has been changed into "a total of six SPNs"

Page 11: Line 27; "with drop" has been changed into "with a drop"

Page 12: • Line 10; "a number of" has been changed into "several"

Line 26; "provide guidance to" has been changed into "guide"

Page 13: • Line 1; "cardiopathologists," has been changed into "cardio-pathologists," Comment: Insert an hyphen in between words •

Line 4; “In addition,” has been changed into “Also”

•Line 5; “in order to” has been changed into “to” References:

article highlight: Heart rate decreased in some patients during peritoneal lavage with warm distilled water. Haplotypes CTT and GCC of TEP1 (rs938886), TEP1 (rs1713449), and RecQL5 (rs820196) increased the risk of a > 30% decrease in heart rate.

We have provided decomposable Figures , organized them into a single PowerPoint file, and submitted as “59496-Figures.ppt” on the system.

We have provided decomposable Tables ,organized them into a single Word file, and submitted as “59496-Tables.docx” on the system.

References have been restyled as required.

Sincerely yours,  
Yan Yuan
