

François MAILLET
Intensive Care Unit
Avicenne Hospital
125 rue de Stalingrad
93000 Bobigny, France

Dear Sir,

Signed or oral informed consent could not be obtained from our patient.

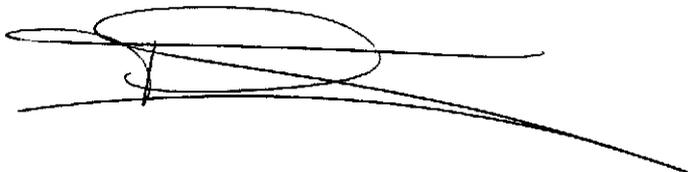

Indeed, patient was admitted in our intensive care unit in emergency and died a few hours after his admission, before legionellosis was diagnosed.

He did not have any relative (parents, brothers and sisters, children) who could have signs for him.

Sincerely yours,

François MAILLET
