

## Certificate Service Confirmation

To Whom It May Concern,

The Foreign Languages Education Center of the Chang Jung Christian University provided comprehensive editing services for Manuscript NO: 82716 (A long-term quality-of-care score for predicting the occurrence of acute myocardial infarction in patients with type 2 diabetes mellitus) by Pi-I Li and How-Ran Guo, which is under consideration for publication in your journal. The edit has achieved Grade A: priority publishing; no language polishing required after editing. Should you require any additional information, please do not hesitate to contact me.
