

# Certificate of Biostatistics

Certificate of Biostatistics: Effect of evidence-based nursing combined with cognitive behavioral intervention on postoperative rehabilitation fear and treatment resistance in elderly patients with hip fracture  
Chengde Central Hospital

This letter is to confirm that I have read the ethics application prepared for this study, and that in my opinion the statistical methods and techniques mentioned are appropriate for the research.  
Please contact me if you have any queries.

Sincerely, Adresse: No.11, Guangren Street, Shuangqiao District, Chengde Municipality, Hebei

Province
