Q1: The information is too simple, a more detailed description is recommended.
Answer: We re-edited the professor's introduction, and add content that professor specialize in.

Q2: Figure 2, it's suggested to label each picture with A, B, etc and update legend.
Answer: We update the legend and distinguish two pedigrees with A and B.

Q3: Figure file names should identify the figure and panel.

Answer: We had updated the figure file name as your suggestion.

What's more, here are several red lines under the words, we make a new figure without these lines. Thank you so much.
