

To the Editor

Roma, 12 march 2014

Sir,

we resubmit to You our modified manuscript (00869854) titled “**Beyond the joint: subclinical atherosclerosis in Rheumatoid Arthritis**”, according to referees’ comments. In particular, we modified abstract and references (ie. DOI and PMID); we added keywords. The manuscript has been read and approved by all of the authors. Looking forward to Your answer, thank You in advance for Your kindness.

Yours faithfully,

Prof. Antonio Spadaro
