Double-balloon enteroscopy-assisted dilatation avoids surgery for small bowel strictures: A systematic review

Judith E Baars, Ruben Theyventhiran, Patrick Aepli, Payal Saxena, Arthur J Kaffes

Abstract

AIM

To evaluate the therapeutic role of double-balloon enteroscopy (DBE) in small bowel strictures and to propose a standard approach to small bowel strictures.

METHODS

Systematic review of studies involving DBE in patients with small bowel strictures.

Double-balloon enteroscopy-assisted dilatation avoids surgery for small bowel sti
