To the Editors:

I am issuing this letter to certify that I have edited and proofread the manuscript, written by Dr. YW Xu et al. entitled "Autoantibodies: potential clinical applications in early detection of esophageal squamous cell carcinoma and esophagogastric junction adenocarcinoma," which is under consideration for your journal. The editing and proofreading are based on standard scientific English writing guidelines based on my experience as a scientific author, reviewer and native English speaker.

This certificate is issued upon Dr. Xu's request. If you have any inquiries, please contact me through my mobile phone number or email address given below.

Sincerely,

*Stanley Li Lin*
